Hi Ms. Woodard,

Thank you for requesting a meeting with Governor Cooper regarding the Atlantic Coast Pipeline in NC. Unfortunately, he is unable to meet but I am sending this to staff members who may be able to discuss this topic with you.

Description of Event/Message:

I would like to request a meeting with the Governor to discuss the issue of the Atlantic Coast Pipeline that is currently scheduled to be installed in NC and neighboring states. I have fully educated myself on the current state of affairs concerning the pipeline, and as a Sustainable Development Student at Appalachian State University, I am also educated on the multi faceted impacts of such a pipeline, which concern not only the environment, but also the economy, the promise of our states progress, and our reputation nationally.

As such, I have many concerns to voice as a resident of this state that can only be sufficiently addressed by our Governor.

If this date is unavailable, I will gladly accept any earlier date. Thank You for your time, Cyna A. Woodard
